Dear Sir/Madam

**ANCHOR RD, TENNIS COURT RD, NEW CHELTENHAM RD & POUND RD, KINGSWOOD
MAJOR MAINTENANCE WORKS 11 - 28 MARCH 2019**

I am writing to advise you about essential roadworks that are to be carried out at Anchor Rd, Tennis Court Rd, New Cheltenham Rd and Pound Rd, Kingswood. (See attached plan of site.) From the 11th March 2019, these roads will be subject to major resurfacing works.

The works will involve the planing off of the existing surface of the carriageway and the laying of a new surface. The work will start at 8.00am and remain in place until approximately 6.00pm. For the duration of the works, the roads will be closed and all traffic will be diverted around the area whilst the closures are in place. **These works will create a significant amount of noise.**

We will be working through the areas in phases and the roads will be closed to through traffic on the following dates:

Tennis Court Road 11-13th March

Anchor Road 14-18th March

New Cheltenham Rd and Pound Rd 19-28th March

We will make every effort to ensure that access to properties and amenities fronting the site and whose only access is from the closed road is maintained and the disruption to local residents is kept to a minimum. However, there may be periods of time when access to properties by vehicle will be unachievable, and for this, we apologise. Please note that adverse weather conditions or plant / delivery problems may affect these times and dates.

During the periods that these works are being carried out, it is essential that the road is kept clear of vehicles, as this will interfere with the works. I am therefore requesting that for the period that the works are in progress, please ensure that all vehicles are parked away from the area. If there are vehicles parked on the road that could obstruct the work, it may be necessary to have the vehicles removed.

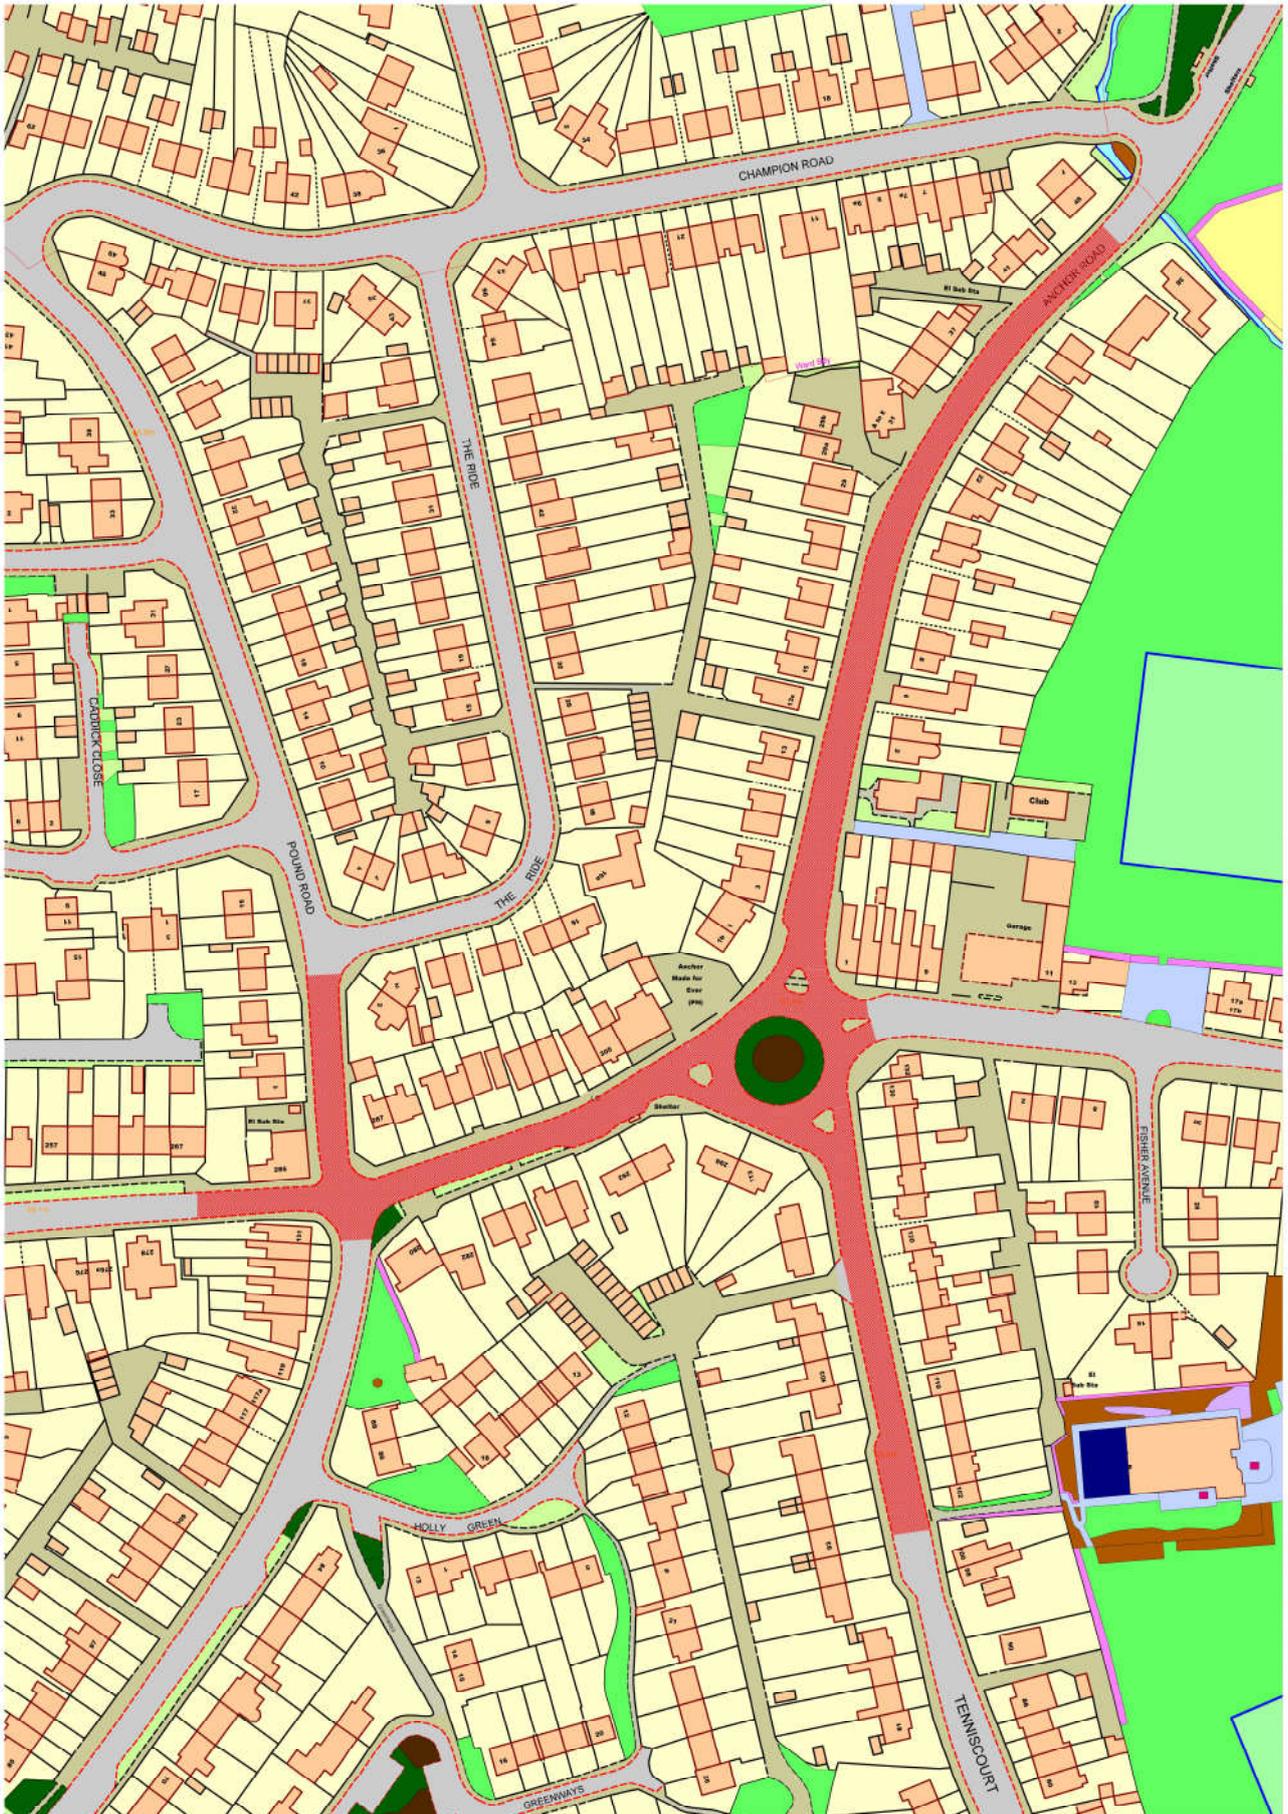

Although alternative routes will be signposted whilst the works are in progress, it is possible that delays may occur on the surrounding network. Please watch the local press for any further news, but you are advised to avoid the area if possible for the duration of the works. South Gloucestershire Council apologises for any inconvenience caused by these essential works.

In the meantime, if you have any queries please do not hesitate to contact Jo Perry on the above telephone number.

Yours faithfully

Joanne Perry
